

TIBBS Basketball

Student of the Week

Parker Klitzke

What do you like most about coming to TIBBS Basketball?

I like that you're in small groups with three or less people. The coaches explain everything in a way that makes sense and it's very easy for kids to understand. I'm getting attention that focuses on me. I feel tired after I go, but it's a sign that I worked hard and I'm getting better as a basketball player.

What is your favorite sports team?

Minnesota Vikings

Who is your favorite athlete?

LeBron James
